

Facebook Basics

With over 800 million users globally, odds are that you're a Facebook user too. With such a massive user base, Facebook is a great opportunity for businesses looking to create an online presence. If you're a business owner, you really need to set up a Business page or else you risk that chance of having your competitor take the lead.

This content is only available to members. Check out our current [courses and workshops](#) ? you are only minutes away from accessing essential online marketing tutorials, forums and coaching that will catapult your business forward.
