

Press release power

Google loves press releases ? The spiders from Google literally hang out at the press release sites. Because the press release sites are continually publishing new stories, events and news the spiders love this and eat it up. So submissions of press releases are quickly indexed.

This content is only available to members. Check out our current [courses and workshops](#) ? you are only minutes away from accessing essential online marketing tutorials, forums and coaching that will catapult your business forward. We would love to have you join this thriving community of like minded business owners!
