

Video for your website

In this tutorial you will identify why video is critical for modern websites, how to create short successful videos then upload them on video sharing sites (such as YouTube) and display them on your website.

This content is only available to members. Check out our current [courses and workshops](#) ? you are only minutes away from accessing essential online marketing tutorials, forums and coaching that will catapult your business forward. We would love to have you join this thriving community of like minded business owners!
